Daniel L. Grafner

Grafner appointed to development staff

Daniel L. Grafner, who has directed alumni affairs at Ohio Northern University in Ada since 1978, has been appointed director of development, effective Jan. 1.

Grafner will be responsible for administering the annual fund program within the Office of Alumni and Development. He also will maintain the computer records in that office and direct the annual Senior Challenge Program.

He fills a vacancy in the development staff created by the resignation of Kim Kreiger last fall.

Grafner, who received a bachelor's degree from Ohio Northern and a master's degree from Bowling Green, has directed several fund raising campaigns while at Ohio Northern, including a \$1.5 million drive for an addition to the university's law library.

Prior to his Ohio Northern appointment, he was a clinical counselor for the Butler County Alcoholism Council.

Dr. Cormier to assist in president's office

Interim President Ferrari has announced a temporary change in assignment, effective immediately, for Ramona Cormier, associate provost.

For the remainder of the academic year, Dr. Cormier will assist Dr. Ferrari with various special projects in addition to continuing her duties as associate provost.

Her title has been changed to associate provost and assistant to the president for special projects to reflect the temporary reassignment of duties.

In addition to her work in the president's office, Dr. Cormier will continue to coordinate the academic self-study and program review process and the anticipated North Central Accreditation visit. She also will continue to exercise general academic administrative responsibility for the Center for Educational Options and the Center for Environmental Programs.

Dr. Cormier's office has been moved from the provost's area to 227 in the president's office. She can be reached at 372-2211.
